### Declaration of Criminal Convictions

West London YMCA is committed to safeguarding the children and young people who access its services.

The nature of the activities which you will be undertaking will bring you into contact with children and young people and, accordingly, your role as a volunteer is exempt from the provisions of the Rehabilitation of Offenders Act 1974. You are therefore required to disclose information about any criminal convictions you have and any cautions you have received, both current and 'spent'.

Declaration of a conviction will not necessarily bar you from volunteering. However if it is subsequently found that you failed to declare a conviction this would lead to your volunteer placement being terminated. Please provide full details on a separate sheet or, if you have no convictions or cautions write *none* here:

Furthermore, it is a requirement that all volunteers are required to have two references and a Criminal Records Bureau Disclosure. Please give details of two referees, one of which should be for your present or most recent employer, social worker, housing officer or college tutor.
